

Muhlenberg County Public Libraries Adult Summer Reading Log 2020

Let's Read Together!

We can unite in our Love of Reading! We have an online Reading Log (Reader Zone), but this log will work perfect as well. Keep track of your books (audio & downloaded too). Watched a Great Movie? You can count that too.

| <u>Keeping Track</u> : We would love to see what you are reading, so just write the title |
|-------------------------------------------------------------------------------------------|
| and author. If you want to share a book review, email it to rena@mcplib.org. |
